As the parent/carers of the above student, I have read the **Computer and Internet Code of Behaviour** for Homebush Boys High School. I recognise that Homebush Boys High School cannot control the content of the Internet, but I trust the school will use the controls that the Department of Education has provided to restrict inappropriate content.

I am aware of my son's agreement to the Code of Behaviour and my son accepts responsibility for the appropriate use of the school's computer system.
