Applications for Non-Local Enrolment

Students should attend their local school. Homebush Boys High School will consider non-local enrolments only when the school enrolment is not exceeding the enrolment cap and there is a vacancy within the year group.

Non-local applications will be considered according to the following criteria:

- Compassionate reasons
- Safety and supervision of the student (or sibling) before and after school
- Preference for a single sex boy's school
- Availability of subjects, combinations of subjects or specific school courses including students continuing their studies in Mandarin or Korean Languages

PLEASE NOTE: You will need to provide proof of continuing studies.

The Principal will interview each applicant to determine suitability and final placement. In the case of the transition from Year 6 into Year 7, an enrolment panel chaired by the Principal will determine placements.

All students are enrolled with the parent signing an undertaking that their son/guardian will abide by the schools "Fair Discipline Code, Safety, Learning and Respect Matrix", including the school Uniform Policy.

Students enrolling in Years 9 to 12 need to be aware that they will be limited to elective subject choices that have a vacancy.
