# Check-in Reading & Numeracy assessment.

The Department of Education has organised two online tests in **reading** and **numeracy**.

Partly, this is because schooling has recently been interrupted by COVID-19, and it is more important to keep track of skills.

The tests will both have 40-45 multiple-choice questions, and both take about 50 minutes.

In the future, it is likely that these tests will be **held fairly often, in Years 7 to 9.**

Log-in will be by typing in a web address, then entering two codes.

CY5T3 2020 Student Code

https://student-check-inuat.cese.nsw.gov.au

| First Name: | Perrie |
Last Name:	Edwards
Birth Date:	26/02/2007
School:	Check-in Test School
Year:	5
Roll Class:	T3CHECKY5

Assessment	Student Code
CY5T3 2020 Numeracy	KF-XX-DW-BT

This number will be put on the board, for you to copy.

This number will be printed for you on a log-in card.

Plug in headphones (either yours, or the ones supplied) into the computer, and adjust the volume.

An even easier log-in shortcut can be used, from the launcher…..

Click on this icon, to go straight to your test log-in.

Each page will look something like this….

Magnifier

Audio (only for numeracy)

Clock (shows time passed)

Progress summary

Back, next and flag buttons.

00 :03
Hours Mins

Hide time

Training Numer…

Question **4** of **5**

0:00 / 0:12

This is Merrin's birthday cake.

Happy Birthday Merrin

What fraction of Merrin's cake has been eaten?

- one eighth
- one quarter
- one third
- one half

Back   Flag   Next

At the end of the test, you will come to this page…

Only click this button when you are sure you are finished.

Are you sure you want to finish the assessment?

- There are 5 items that have not been completed.
- There are 0 items that have been flagged for checking.
- You have completed 0 items of the 5 items in the assessment.

No - go back	Yes - finish

You need to bring with you to the tests.....

- headphones, if you prefer your own
- a pen

You must not have any...

- printed materials
- calculators
- mobile phones or smartwatches
- blue-tooth headphones

These tests will give important information about things you are good at, and areas you need more support….

…so bring your best effort.
